You are cordially invited to submit a paper, panel, tutorial, poster, and workshop contributions to the
Thirty-Fourth Annual CCSC Rocky Mountain Conference.

Reasons to attend

➢ Network with colleagues from region colleges and universities.
➢ Get credit for a paper accepted by a double-blind review.
➢ Expand your skills through the tutorials or workshops.
➢ Explore National Parks and other sites in and around Utah: The Crossroads of the West.

About CCSC

The Consortium for Computing Sciences in Colleges is a nonprofit organization focused on promoting quality computer-oriented curricula as well as effective use of computing in smaller institutions of higher learning, which are typically non-research in orientation.

Submissions

➢ Paper, panel, tutorial, and workshop contributions on the structure, delivery, support, and societal context of Computing Education. This year we also welcome submissions addressing Information Technology and Cybersecurity Education as well.
➢ Formatting: https://lubaochuan.github.io/ccsc-editor/authors.html
➢ Submissions are double-blind refereed.
➢ Accepted papers will be published in the Journal for Computing Sciences in Colleges and the ACM Digital Library.
➢ Rejected papers will be offered to participate as a poster submission.
